

Modified Enclosures

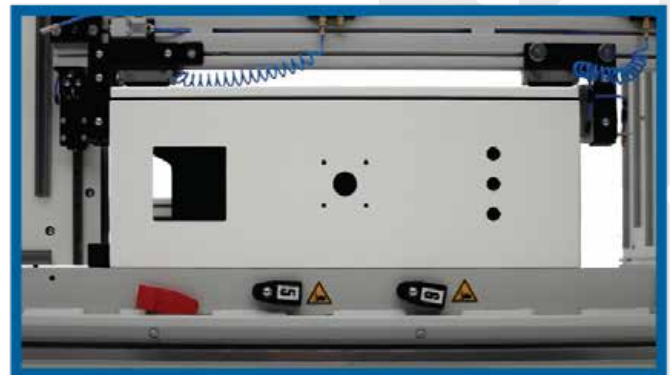

GET MODIFIED ENCLOSURES WITHOUT THE HASSLE

Stop making holes and cutouts manually - let Steiner Electric deliver your enclosures and sub panels in the time you need them by utilizing state of the art technology. With Steiner Electric's extensive local market inventory and certified modification machine, you can have the product you need when you need it. So you can stay focused on your own operations and customers' needs.

Benefits:

- Precise clean holes and cuts every time
- Easy ordering by supplying existing design files in various formats
- Reduced lead time and in-house labor costs
- Cuts a wide variety of materials
- 100+ standard paint finish options
