

LEVITON®
decora edge™
Color-Coded Levers for
Faster, Safer Installation.

Push.

Click.

Done.

Decora Edge™ - Classic Decora®. Faster and Easier to Install.

Leviton's Decora Edge Single Pole Switch, 3-Way Switch and Tamper-Resistant Outlet provide the classic appearance and superior performance of Decora devices in a new, easier-to-install, safer design. Just push, click and you're done! The devices are designed with innovative installation features such as color-coded lever terminals for faster, efficient wiring; a larger strap with a unique tongue and groove alignment for quicker trim-out on multi-gang installations, and no exposed metal parts for safety. Decora Edge is the ideal solution for all your wiring needs.

PUSH

Faster and easier to wire.

CLICK

Audible 'click' confirms
secure connection.

DONE

Terminate with confidence.

Features & Benefits:

- Patent pending color-coded lever terminals for fast, efficient wiring; reduces risk of miswiring
- Lever doors have snap feature to assure connection has been made; audible click confirms lever door is closed
- Only Residential device on the market with a quick termination ground wire
- No exposed metal parts for enhanced safety; eliminates need for electrical tape
- Lever connectors work with 14 gauge and 12 gauge stranded and solid copper wire
- Wire openings prevent wire insulation from being inserted into the terminals
- One standard strip gauge for all devices
- Strap's unique tongue and groove alignment offers quicker trim out on multi-gang installations
- Strap works with any sized wallplate
- Devices coordinate seamlessly with other Decora devices
- Can be used with Decora wallplates and Decora Plus™ screwless wallplates
- Receptacle allows for split circuit applications
- Test openings on switches for circuit testers
