

M18[™] FORCELOGIC[™] SINGLE CHANNEL STRUT SHEAR

The most productive way to shear strut on site.

M18[™] FORCELOGIC[™] Single Channel Strut Shear

The **M18[™] FORCELOGIC[™] Single Channel Strut Shear** offers efficient and precise strut shearing on the jobsite. With Milwaukee® proprietary Shearing Dies, it delivers clean, square cuts without extra filing. Its integrated support plate enables quick, repeatable shears, boosting productivity. The

dual die design minimizes injury risks, while its portability and tri-stand chain vice mount enhance versatility. Plus, Milwaukee® ONE-KEY[™] Technology allows monitoring of tool usage, maintenance alerts, and security features.

Features & Benefits:

- Strut Support plate for precise 4in/10cm measurements.
- Blade safety: No exposed blades.
- Clean cuts without filing or deburring.
- Easy integration with any chain vice via Tri-Stand mount.
- 250+ shears per charge on 1-5/8" Pre-Galv Strut with M18 XC 5.0ah battery.
- Tool-free die change with Die Retention Arm.
- Two-Stage Trigger for LED activation without tool activation.
- Dual LEDs illuminate both sides of the head.
- Auto ram return for quick setup after each shear.

Kit Includes:

- (1) M18[™] FORCE LOGIC[™] Single Channel Strut Shear Kit.
- (1) Strut Shearing Dies (Strut-Shearing-Dies)
- (1) M18[™] REDLITHIUM[™] XC5.0 Extended Capacity Battery Pack.
- (1) M18[™] & M12[™] Multi-Voltage Charger.
- (1) Contractor Bag with Die Pockets

- Trigger Lock Out prevents accidental tool activation.
- Compatible with ALL M18[™] Batteries and Chargers.

Learn More

Steiner Electric – Who we are Steiner is a full-line electrical and metalworking distributor that serves the commercial construction, industrial and OEM markets in the greater Chicago area. We pride ourselves on having in-house experts and access to our vendor's experts to help with innovation, process improvement and machine performance.

We have developed extensive digital tools that help our customers to easily connect with our personnel and products in order to get information and deliveries quickly and easily. Our customer portal is designed to help get answers and tasks completed quickly. We believe that our digital experience is just as important as interacting with us in-person. Our delivery solutions are focused on improving a customer's efficiency when receiving material. We have solutions that deliver at specific times or provide material based on the needs of the project.

Commercial Construction

Servicing the electrical contractors and building maintenance personnel.

Industrial End User

Servicing steel mills, metal shaping and forming, manufacturing plants, food processing, industrial and commercial warehousing, data-centers.

OEM

Helping machine builders innovate and automate packaging, material handling, manufacturing and assembly.

The Power of Expertise

Access local and global product and application experts to innovate and improve business outcomes.

The Power To Connect

Access information on products, order status, sales personnel and more in an instant to meet the speed of business.

The Power to Deliver

Your material and solutions provided in a way that improves your efficiency.
