

## COMPREHENSIVE SITE SURVEY

### SHARPEN YOUR EDGE™

Discover untapped potential and outpace the competition with a holistic site review. The knowledgeable LENOX and Steiner teams work with your enterprise to align goals and define process improvements for operational success on every level.

#### How It Works

1. An evaluation of shop floor and team member processes
2. A thorough understanding of management's production goals
3. A comprehensive report on recommended strategies

#### Custom Consultation

LENOX and Steiner support specialists partner with you to rectify bottlenecks, challenges and inefficiencies.
